- Anatomy and physiology
- Nail and skin disorders
- Sanitation and disinfection
- Professionalism in the salon
- Bacteria in the salon
- The chemistry of nail technology
- Structure of the nail
- Nail shapes
- The business of the nail industry

After the completion of the course each student will have access to **20% discount on products** from Nail X, the official distributors of INM, valid for 12 months.

Minimal of two students per course. Students will be working on each other during the week.

Payment:

Payment can be made by eftpos or credit card at Caught Red Handed, 312 Wairakei Road or via internet banking to Justine Johnson T/A Caught Red Handed, BNZ 02 1268 0009596 000

Please note paying with credit card will include a 3% surcharge.

As we are a private training establishment, we do not accept Student Loans for our courses.

Refunds:

Course costs are refundable **up to one week before the course start date** except for a \$250.00 administration fee.

[The full cost of the course is non-refundable a week before the course start date.](#)

A Doctor's certificate is required if sick days arise and another date will be booked to continue the training.

After the Acrylic & Gel Polish Foundation course:

[The trainee must then put in at least 3 hours per week practice and can charge trainee prices.](#)

Before and after photographs of clients done by the student of sculptured and tipped acrylic enhancements, rebalanced, and backfill nails, and gel polish manicures, need to be sent to the educator during the time before their exam.

[The Refining & Perfecting Class on Monday 25 March 2019 is designed to help the student master these newly learn skills. Each student is required to bring in a model on this day with one hand in need of a backfill and one hand free of enhancements.](#)

A **practical and theory exam** will be offered three months later (but can be extended if the student needs more time to perfect her nails, but this needs to be done within the 12 months). The exam afternoon is \$200.00 and payment is required upon booking of the exam.

QUALIFICATION

INM Nail Technician Certificate – Internationally Recognised

Caught Red Handed Nail Technician Certificate – National Standards

These Nail Technician Certificates will be awarded to students who have attended the novice course, completed at least 10 new sets of acrylic enhancements and 10 rebalances/backfills, and 15 gel polish manicures, including removals, and passed their practical and theory exams over at least a three-month period and within the twelve-month period.
